# Package Some Hope

a community event at Eagle Brook

BE A SPONSOR!

Hello and happy holidays! We know it's a busy time of the year, but since you're a vibrant business in our community, we at Eagle Brook Church want to make you aware of a unique opportunity to: 1) feed hungry kids, and 2) advertise your business to a target market. For one thing, we're including the chance to be featured in an exclusive Eagle Brook Business Directory, only open to sponsors. Intrigued? Read on.

## FEED MY STARVING CHILDREN EVENT

February 19-28, Eagle Brook is excited to rally the community to be part of history in the making. Eagle Brook has committed to bring together **10,000 volunteers to get in on assembly lines to pack 2 million meals** for Feed My Starving Children, a global hunger-relief organization headquartered in the Twin Cities (fmsc.org).

Feed My Starving Children is bringing its MobilePack setup to each of our three church campuses (Lino Lakes, White Bear Lake, and Spring Lake Park) for a week filled with 40 two-hour packing shifts. Only 17 cents covers one specially-formulated nutritious meal that will get into the hands of those who need it most in 60 countries around the world. The food costs \$340,000 for 2 million meals, and EBC is looking for upwards of **\$175,000 from a variety of community business sponsors** to underwrite up to half of the food investment we committed to. ALL money goes directly to Feed My Starving Children. For more info, go to [fmsc.eaglebrookchurch.com](http://fmsc.eaglebrookchurch.com).

## BENEFITS OF SPONSORSHIP

This is where you come in. Note the levels of sponsorship for meals, and please **read the enclosed insert** with details on how we can offer you some **great advertising incentives**. We also invite you to bring your staff to pack some meals together for a powerful team-building experience.

**Package some hope** and make a difference in the life of a hungry child.
